DATE: 1 Dec 1964

FROM : DAD /S&D

SUBJECT:

25X1A

I will be on active duty on 8 December and propose that
25X1A [] prepare the briefing on the airborne ELINT gear and
that [] prepare the briefing on Quality ELINT. You might
like to give both of these or you may like to have [] and/or
25X1A [] help out. Do you want me to work with them on this or will
you handle it?
